Forward

Thank you for taking the time to increase your knowledge and awareness of God's Word. Most people have thought over the years that it takes an extreme amount of time to read the Bible. The truth of the matter is that you can read the entire Bible in less than a month!!

When the Word is put in the right order you will find that you can read 48% of the Bible in less than a week! Our recommendation is for everyone who wants to take the challenge to set aside the appropriate time to focus and finish on schedule. The guide is designed to help you keep track of your progress as well as log important notes that will assist you in understanding what you are reading.

Lastly, this is for those who are serious about growing in grace and God's Word. We know God through the Word and as you understand the Word you will understand God.

Blessings and peace be upon you as you start your journey!!
